

Swedish thinking. Better living

## Dishwasher

Efficient, spotless  
and high  
performance clean.

# Dishwashing

## Energy Saving

Ensure your dishes are dry when you are ready to put them away. Our new AirDry technology automatically opens the door by 10cm towards the end of the cycle, and the door stays open until you are ready to unload. This ensures a natural way to get maximum drying performance while effectively reducing your energy costs.

## Room for big items

Don't be afraid to give your culinary ambitions free rein. Our dishwashers are designed to take large, odd shaped items like pots and pans and the intuitive FlexiSpray arm ensures water reaches all parts of the tub, so they come out sparkling.

## The right wash. Every time

No matter how dirty your dishes, your dishwasher has the appropriate cycle to make them sparkle again. A Quick 30 is ideal for a load of just-used plates and pans or use the intensive Triple Wash for a deep clean.

## Gentle on glassware, rigid on pots

The FlexiWash program uses different settings for the upper and lower baskets, so you always get the best results for each item, even if it is a mixed load.

## Clean machines

Our range of quiet, fuss-free dishwashers offer superb results – sparkling dishes, ergonomic stacking and swift cycles, keeping your favourite dishware beautifully clean.

### ESL5343LO

60cm fully integrated inverter

13 place settings

Product Dimension:

596W x 818H x 550D mm

Built-in Dimension:

600W x 820 - 880H x 550D mm

Features:

- AirDry Technology
- SenseControl System
- 2 Colour Light Beam on the Floor
- FlexiSpray Arm
- Wash Programs
  - Eco 50°C
  - AutoFlex 45°C - 70°C
  - Intensive 70°C
  - Normal 60°C
  - GlassCare 45°C
  - Rinse & Hold
- Delay Start (1 - 24hrs)
- Auto Off
- XtraDry for extra drying boost
- Time Manager allows you to reduce up to 50% washing time
- Rinse Aid and Salt Indicators
- Flood & Leak Protection
- Height adjustable Upper Basket
- Lower Basket with 2 Foldable Plate Racks
- Cutlery Basket
- Noise Level: 44dB
- 220 - 240V, 50Hz
