SteamRoast

Regular oven

With SteamRoast

Thanks to the gentle flavour-preserving nature of steam, your meats are crisp and golden on the outside but also succulent and full of flavour on the inside.

Steamify

Steamify simplifies steam cooking by adding the right amount of steam to improve taste and texture.

*Product features are applicable to selected models.

- Powerful vacuum suction with 99% debris pick up*.
- Clean up wet mess and spills efficiently**.
- Self-cleaning function cleans in two minutes.
- Antibacterial water tank eliminates up to 99.9% of the tested bacteria***.

Efficient Mopping

From spilled coffee to dried ketchup, clean up sticky messes quickly and efficiently with the wet and dry vacuum.

Easy Maintenance

Maintain your dirty water tank easily with solid waste filter that captures larger debris.

Self-Cleaning Nozzle

Stay hand-free from dirt with self-cleaning roller function, cleans your nozzle in two minutes.

* Based on internal test for particle size (3 to 7 micrometre) on rice and M3 standard size nuts and screws.

** Based on internal tests with 8 forward and back strokes. Stroke were tested on 9 drops of 300 microlitre coffee stains measured 25 millilitre in diameter, and 10 drops of 1 millilitre ketchup stains measured 66 millilitre in diameter. Stains tested were left for 24 and 2 hours respectively.

*** Based on external tests on bacteria types Escherichia Coli, Staphylococcus Aureus.
